

Edge-U-cation

WED MARCH 16

7:00PM (DOORS 6:30)

PSAC BUILDING
233 GILMOUR (AT METCALFE)

What does a truly liberating education look like and how do we engage with it? Come share your thoughts and experiences.

A new approach to education is necessary - one that fits an ever-more globalized and rapidly transforming world. In our contemporary culture, learning how to learn and how to think independently is just as important as mastering any particular skill.
