

#Ceasefire #EndTheSiege #StopArmingIsrael #BDS

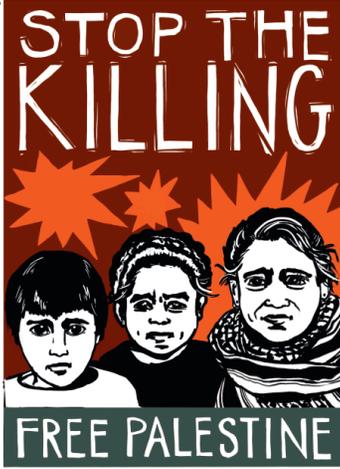

In the six months after the attacks of 7<sup>th</sup> October 2023, **Israel has slaughtered over 25,000 children & women in Gaza** as well as many non-combatant men. The numbers of injured are much higher. Israel's siege creates famine & mass disease.

The International Court of Justice January 26<sup>th</sup> ruling had provisional measures to stop Israel committing genocide. Israel has yet to comply.
